THANKS.—We have received from Mr. A. L. Hatch, proprietor of the Central Nurseries, near this city, a quart of "Wilson's Albany Strawberry," the largest and most delicious we have seen or tasted this season. Mr. Hatch informs us that, since the 25th of March, he has gathered two hundred quarts of this strawberry from a bed less than thirty feet square! Who can beat this?

NEW MUSIC.—We have received from Mr. A. E. Blackmer, 167 Canal street, New Orleans, a catalogue and price-list of their late musical publications. Also, the following new pieces of music:

"Haunting Eyes."—Gallops. By Eng. Baylor.

"Elinore"—Song and chorus. By T. Brigham Bishop. For piano and guitar.

"Not for Joseph"—Comic song. By Arthur Lloyd.

"Wait for me Love"—New ballad. By T. Brigham Bishop.

All of these pieces are gotten up in the most artistic style in which musical publications are issued.

Avoid Poison.

Invalid reader, do you know what ninetenths of the bitter compounds you are solicited by the proprietors to accept as universal panaceas are composed of? Give heed for a moment. They are manufactured from un purified alcohol, containing a considerable portion of *fusid oil*—a poison almost as deadly as prussic acid. The basis of the regular tinctures of the Metaria Medicinae are the same. No amount of "herbal extracts" can overcome the bad tendency of this pernicious element. The essence of sound Rye, thoroughly rectified, is the only stimulant that can be safely used as a component of a tonic, alterative and anti-bilious medicine, and HOSTETTER'S STOMACH BITTERS is the only medical preparation in the world in which this article is used as an ingredient. Hence, the extraordinary effects of this great specific. It gives strength without producing excitement. No other tonic does this. All the ordinary Bitter's flush the face and affect the brain. HOSTETTER'S BITTERS diffuses an agreeable calm through the nervous system, promotes digestion and produces sleep. No other tonic so quickly revives the exhausted physical energies, restores the appetite and removes the gloom and depression which accompanies weakness of the bodily powers. It purges from the system the morbid humors which retard its natural functions, an which bring paleness to the cheek and suffering to the brow. It banishes those eleges upon pleasure, restores the system to high health, and necessarily proves a valuable adjunct to the digestive organs. A trial is all that is needed to establish it in the confidence of the skeptic.

"They made her a grave too cold and damp for a soul so honest and true."

If they had been wise, the dire necessity of spending the grave for one so lonely might have been averted.

Plantation Bitters, if timely used, are sure to reverse the young and lovely, the middle aged, and the ailing, from confirmed old age.

Almost all diseases have their beginning in the bowels. If you do not take care, you would eventually in Pepsic Headache, Liver Complaints, Night Sweats, Consumption, Death. Plantation Bitters will "revert these premonitory symptoms, and keep the blood pure and the health good."

While they invigorate the system, they enliven the mind.

We wish to call the especial attention of all our readers to the advertisement in another column, of our enterprising friends, James Riddle & Co., of Louisville, Ky. They are proprietors of Dr. Thos. A. Hurley's celebrated STOMACH BITTERS, HURLEY'S SARAPARILLA, the great blood purifier. HURLEY'S AGUE TONIC, the best now offered to the public. Also, his celebrated WORM CANDY. Read advertisement. All these preparations are guaranteed to do all that are said for them, or no charge for medicines. So, also, with Dr. Seabrooks Infant Soothing Syrup and Elixir of Iron and Bark. Also, Dr. Bettison's English Horse Liniment, good for man and beast. Try them, and we are satisfied you will have no other. All of them are free from injurious ingredients. Any child could take them with perfect safety.
